Accommodation

First class workmanship in selected mahogany, hand rubbed and treated to a silk smooth finish. The floorboards are made of 20mm teak faced plywood with light colour holly inlaid stripes. Carpet throughout and curtains to all portlights. Eberspacher diesel fired cabin heater with 3 outlets - one in main cabin, one in aft cabin, and one in passageway to forward cabin.

The accommodation consists from forward of:

ANCHOR/CHAIN LOCKER:

Water and gas tight locker, with gas bottle storage and main gas connection point, anchor wash hose, and anchor chain below. The space is accessible from deck and drains downwards, overboard.

FORWARD CABIN:

V-shaped cabin with two comfortable berths. Length of berths 2.05 metres (6'8"). Infill cushion for conversion to double berth. Insulated storage area below berths. The inside of the hull is lined with mahogany. Cupboard forward above the berths. Shelves at each side. Drawers below berths. A door separates the forward cabin from the passageway to the main cabin. On the starboard side of the passageway are two good sized lockers - one hanging locker and one locker with shelving. The door to the heads can close the passageway way off to the main cabin, providing plenty of space for the forward cabin occupants to dress in privacy. Good natural light and ventilation provided by a large opening skylight. A deck vent is also fitted.

HEADS COMPARTMENT:

On the port side is a roomy toilet compartment with pump-action marine head. **Heads toilet and pump New 2022.** Large wash basin in china, sunk into countertop. Hot/cold mixer tap. Two mirrors - one on the back of the door and large mirror behind wash basin. Three lockers provide storage, one by the wash basin, one below the wash basin, and one toilet locker. Good ventilation provided by deck vent and an opening skylight, which also provides light and ventilation for the passageway between forward cabin and main cabin. A hull window also provides plenty of light. The floor is made as a shower stall with teak grating over a drained well. Extendable shower head in wash basin. Headroom 1.85 metres (6').

MAIN SALOON:

The main saloon is built with good sized sofa berths on port and starboard. The port side sofa is L-shaped. The sofas are 2 metres (6'6"). Hinged backrests allow stowage behind and extra width when sleeping. Reading lights are provided under the backrests on both berths. Inside of hull above berths is panelled with mahogany. **New lee cloths for saloon berths 2017.** Bookshelves and lockers behind sofas. Large dropleaf table (37" x 48") with bottle stowage in mid section of table. The ceiling is lined with vinyl panels and mahogany strips. Four brass reading lamps in addition to main cabin light. Weems & Plath Clock and Barometer in Chrome. Opening skylight and two dorade vents provide good ventilation. Fusion stereo. Headroom is 1.89 metres (6'3")

GALLEY:

Aft of the main cabin is a U-shaped galley equipped with a Plastimo Neptune 200 2-burner stove with oven and grill in gimballs. **Gas cooker New 2017. Gas work completed 2018 (exp).** This vessel includes gas bottles. Steading strap for use with cooker when underway. Drained ice box 80 litres with 12v refrigeration unit. Stainless steel double sink with pressurised hot and cold fresh water and manual fresh cold water pump as reserve. Surface of counter tops in galley in teak effect formica type finish. Locker for crockery. Five additional storage lockers. Shelves above sink and by window. Drawer for cutlery etc. Large locker below sink for waste bin and storage. Upgraded steps give more usable surface in Galley. Original full length steps also available.

NAVIGATION STATION:

On the port side of the main cabin, a navigation table with comfortable seat, chart locker, drawers, shelving unit for books, and main electric switch panel. Stowage below the chart table seat. In the passage way to the aft cabin, there is a work bench with two stowage lockers. A locker is located under the companionway ladder for sailing equipment stowage.

AFT CABIN:

Two berths - single berth port side and double to starboard with lee-cloths. Locker below double berth. Three lockers above berths. Shelves on starboard side by window and amidships between berths. Hanging locker on port side of cabin. Door separates cabin from main cabin. Inside of hull lined in mahogany. Opening skylight, and two hull windows provide lots of natural light and ventilation. Dorade box also provides good ventilation.
