Description

A lovely yacht in every respect, TOJAI has beautiful lines and a superb sailing pedigree. The Hallberg-Rassy 39 provides very comfortable living quarters below decks with particularly generous heads and chart table areas. The mahogany interior and upholstery are very well preserved for her age and really show case the handcrafted excellence of the famous Swedish yard.

TOJAI has the great benefit of new teak decks, laid in 2015 by expert craftsmen in Thailand. The wood is the highest quality Burmese Teak and has no screws or dowels for low maintenance and extended life.

The yacht also has a new Volvo Penta D2-60 engine, prop-shaft and propeller installed in 2023 with very few hours run and a full main dealer service history.

The Hallberg-Rassy 39 has exceptional sea-keeping characteristics with a longer waterline for faster passage making times. Her higher displacement make her very comfortable to move around above or below decks and should be on anybody's short list looking for dependable performance, high tankage and classic style.
